

IMPORTANT NOTICE FOR PATIENTS

North & South Essex
Local Medical Committees

MOUNJARO (TIRZEPATIDE) FOR WEIGHT LOSS

Please be aware that this GP practice is *not* currently prescribing Mounjaro (Tirzepatide) for weight loss.

WHY?

Mid & South East Essex ICB has **not** commissioned this practice to prescribe Mounjaro for weight management purposes.

While some patients may have received Mounjaro under previous or historic arrangements, these are not being newly initiated and only existing prescribing arrangements remain in place at this time.

- If you have questions about your current treatment or weight management options, please speak to a clinician.
- For updates on local prescribing policy, please visit the Mid & South Essex ICB website or speak to your pharmacy or care team.

THANK YOU FOR YOUR UNDERSTANDING

Your health and safety remain our top priority.
